

The Smart Valve™

STYGIAN

Delivered. Solutions.

Reduce water bills. Prevent waste. Protect your system.

- ✓ One-time, easy installation
- ✓ Works with existing plumbing
- ✓ Fully certified (NSF 61 & 372)
- ✓ No maintenance or service interruptions

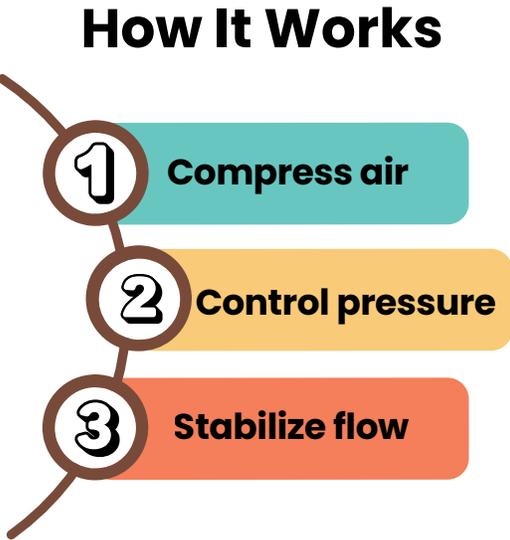

Why You're Overpaying for Water

- Meters read air as water.
- Pressure spikes cause errors.
- High PSI breaks your system.

What Is the Smart Valve™?

The Smart Valve™ uses advanced flow-management technology to optimize your building's water system — reducing what you pay without changing how you use water.

Real Results

- 10–30% savings on water bills
- Fewer maintenance issues
- Fast ROI — often within one year
